WHEN: _____

WHAT? O.A.T.S. is a Therapeutic Horseback Riding program for people with disabilities. It offers many benefits. As quoted from the O.A.T.S. brochure, "It provides a means of improving our students' balance, posture, large and small muscle strength, motivation and most of all...their self esteem." The horses that are used in the program are older, well trained and gentle for both children and adults to ride. Riders are encouraged to pet, groom and help take care of the horses.

The fee of \$35 allows 1 hour of riding time for each participant.

Please Note:

In order to ride, each student **MUST** have ALL paperwork filled out and returned by :
_____.

The required forms for participation is found on the O.A.T.S. website:

- Rider's Registration and Medical Form, **which must be signed and dated by your physician.**

For more information, check out the O.A.T.S. website at www.oatshrh.org.

Add Additional Information, as required..... transportation, snacks, appropriate clothing, etc. Feel free to delete the bottom section and replace with your own forms or instructions.
